

The May 3rd game, as the one played in Cuba, will be a political and public relations home run for Fidel Castro but it will be a strikeout for political prisoners, for human rights dissidents and the Cuban people as a whole.

Let us send the right message to our young people and to the international community as a whole that the U.S., its institutions and its symbols will not be accessories to the crimes committed by the Castro regime and that we will not be manipulated into covering up those crimes.

PRESIDENTIAL ASSAILANT JOHN HINCKLEY VACATIONS ON TAXPAYER DOLLARS

(Mr. TRAFICANT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TRAFICANT. Madam Speaker, John Hinckley shot President Reagan with intent to kill. He was acquitted by reason of insanity and confined to a hospital where after a routine search they found correspondence between Hinckley and mass murderers Charles Manson and Ted Bundy.

But despite all of this, a Federal judge ruled that Hinckley is not an inmate, that Hinckley is a guest and is thus entitled to supervised leave privileges.

Beam me up. Is it any wonder what is happening to our society? Hinckley, who shot the President with intent to kill, is now enjoying weekends in the country. What is next, Disney World?

I yield back the tragic ordeal of James Brady and the two policemen also shot by this bum now vacationing on taxpayer dollars.

GEORGIA TRAVEL AND TOURISM

(Mr. DEAL of Georgia asked and was given permission to address the House for 1 minute.)

Mr. DEAL of Georgia. Madam Speaker, I rise today to pay tribute to the travel and tourism industry in my State of Georgia and in my Ninth District. It is an industry that contributes some 190,000 jobs in my State.

My district is blessed to be the home of Lake Lanier which is the most visited Corps of Engineers lake in the United States and has some \$2 billion of economic impact annually. We also have some 750,000 acres of the Chatahoochee National Forest.

The Appalachian Trail begins at Springer Mountain in my district and ends some 2,100 plus miles later in Maine.

We also have the Etowah Indian Mound and the Tallulah Gorge State Park. And in Dahlonega, Georgia, the first actual gold rush in our country was ignited there in 1828. The gold museum there is the second most visited museum in our State.

We also have the Chickamauga-Chatanooga National Battle Park which is the first military park in our Nation

that celebrates the fact that it was a bloody 2 days in which over 35,000 men were either killed, wounded or missing. We have visitors that come from all over the world to visit that park.

A number of other attractions include our Prater's Mill, Chief Vann House and others. It is absolutely the reason why the tourism industry is referred to as America's largest services export.

U.S. ROLE IN KOSOVO TURNED INTO PARTISAN POLITICAL CONTEST

(Mr. MENENDEZ asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MENENDEZ. Madam Speaker, yesterday Republicans turned the question of ethnic cleansing, NATO's future and America's role in the world into a partisan political contest. Well over 30 Republican Members switched their votes from supporting the air strikes to ending the conflict yesterday so that they could vote against President Clinton.

Now, after having voted in a way that is totally inconsistent and having voted, some of them actually voted to not only not withdraw the troops in Campbell I and then not to declare war and then they voted at the end not to support the President's air campaign to end the ethnic cleansing, to end the genocide, they want to load the appropriations bill that the President proposes to try to sustain our troops in the field and take it from \$6 billion to \$12 billion, all of it coming from Social Security.

It is inconceivable to be spending twice the amount the President asked for when you are not even willing to vote to stop the ethnic cleansing in Kosovo. It is outrageous and it cannot be tolerated.

SALUTING UNIONVILLE HIGH SCHOOL'S "MAKE A DIFFERENCE" PROGRAM

(Mr. PITTS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PITTS. Madam Speaker, last week I visited a high school in my district that was a great encouragement to me in the aftermath of the horrible tragedy in Littleton, Colorado.

As I met with several English honors classes at Unionville High School in Pennsylvania, I witnessed presentations by students who shared the results of community service assignments called "Make A Difference" projects. From planting trees to stream clean-up, to adopting a needy family, raising money to pay utility bills for a poor family, these kids did it all. Volunteering with school tutoring, helping a Salvation Army food bank, even sharing the joy of music with seniors at a nursing home, all of these ac-

tivities gave the students a new perspective.

I listened to these thoughtful, well-organized and poised presentations about the lessons these students learned and the benefits of giving themselves to help others.

There are many wonderful people across this Nation who are making a difference in our neighborhoods, including students. We need to continue to praise our kids and teachers and remind them of the importance of their contributions to our communities.

Thank you, Unionville High School, Mrs. Sheeler and students. Keep it up.

AN INFAMOUS MOMENT IN THE HOUSE

(Mr. LEVIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LEVIN. Madam Speaker, last night's vote failing to support the NATO air campaign against Milosevic was an infamous moment in this House. The majority proclaims its support for the troops but will not support what the troops are now risking their lives to do. The majority wants to double appropriations for an effort most of them apparently oppose. What is left for bipartisanship when the Republican majority will not use it in times as these? For them, there seems no water's edge. They mock the memory of that great Republican Senator from my home State, Arthur Vandenberg.

TOO MANY MISSIONS, TOO FEW RESOURCES

(Mr. SCHAFFER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SCHAFFER. Madam Speaker, our military problem is simple: too many missions, too few resources. This administration adds new missions every year and then gives the Pentagon fewer resources to accomplish them. And then to add insult to injury, our own continent remains vulnerable to a ballistic missile attack. A national missile defense system remains unbuilt, sacrificed on the altar of arms control. Instead of an America safe from a missile attack, we have a contract, a piece of paper with a country that no longer exists, the Soviet Union. That piece of paper, known as the ABM Treaty, does not keep America safe. It cannot protect us from the evil designs of Osama bin Laden, Saddam Hussein and other world troublemakers who hate America and despise the very liberty we represent.

Tyrannical regimes cannot abide the idea of liberty. The existence of liberty is a threat to the power of the despots, tyrants and dictators.

Meanwhile, as the world becomes a dangerous place, our military is ignored and a national missile defense system is rejected. This is the path of dangerous folly.
